# ABOUT US

## AL TAREK FOR TRADING & CONSTRUCTION

Established in 2017, AL TAREK is a specialty general contractor with a primary focus on residential, commercial and industrial projects.

### Mission

- Produce quality on time, every Time, with full customer satisfaction.
- Keeping and improving the best available Manpower, advanced production means, Management tools and IT capabilities, all to lead and keep the upper segment of the market.

### Quality Control

- Since our inception we have consistently emphasized on Quality, innovation and reliability. We are committed to providing the highest quality service at competitive prices and implement quality control practices in every phase of our business process.

## DEVELOPING PARTNERSHIPS

- We will use our extensive expertise to provide you with quality services. We can also provide our professional services to promote your Construction and Finishes service and help expand your business.

## CUSTOMER RELATIONS

- AL Tarek has drawn the attention of its numerous customers though quality, efficiency and competitive prices. We take every customer enquiry seriously and strictly adhere to our commitment in providing quality services.

## TECHNICAL SUPPORT

- At our disposal are many highly trained technicians, supervisors and other service professionals to provide their services for fabrication and installation work as per your requirements.

## Vision and Goal

- Our Vision is to cover the entire market within our segment, to keep improving the standards of construction and maintain the company's slogan Quality on Time, Every Time.
- Our main goal is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team. Undertake the engineering and construction business with a focus on becoming the leader in product costing while building excellence in every aspect to meet customers' stringent requirements regarding quality, on-time delivery, safety and environmental concerns.
